FUND RAISING ON THE GREEN

As well as being a village celebration, the aim of the Summer Fete is to raise money for the upkeep of the village greens so that they can continue to be green spaces to be proud of and enjoyed by the many visitors to Norwood Green.

A Crowdfunder appeal has been set up to support the fund raising efforts.

Please dig deep and donate to this appeal

VISITING THE FETE

The road through Norwood Green will be closed for the duration of the Fete, with access to the Old White Beare Inn and for residents only.

As there will be very limited parking in the village for visitors, please consider walking to the Fete or using public transport.

Dogs are welcome on the day and especially to join in the dog show. Please pick up after your dog and use the many bins in the village for dog poo and litter.

Many of the stalls and games will be run by village residents with limited access to card or phone payment readers. If you can, please bring cash on the day so you can join in the fun.
